

## **Dr. Taylor to be honored with Presidential Citation**

(Bethesda, Maryland - May 5, 2009 ) Each year the President of the American Academy of Otolaryngology-Head and Neck Surgery honors individuals who have made significant contributions to the specialty . This year Dr. Duane J. Taylor was one of six individuals selected by AAO-HNS/F President Ronald B. Koppersmith, MD, MBA to receive the prestigious honor and Dr. Taylor will be recognized at the 2010 Annual meeting to be held in Boston this Fall. Dr. Taylor is the Medical Director of Le Visage ENT & Facial Plastic Surgery in Bethesda, Maryland . Dr. Koppersmith said , “These physicians have contributed generously to our profession with their time and prodigious work. They have served as role models, mentors, colleagues, and friends to me and to many others. It will be my pleasure to present them with this award during the Opening Ceremony of this year’s meeting.”
